[PDF] Early snows rival records

File Format: PDF/Adobe Acrobat - [View as HTML](#)

By Todd **Neff**. Thursday, January 11, 2007. Boulder's early season **snowfall** totals rival any

You Can't Get It Back

Once the document images have been published online there simply is no way they can be returned to the county repositories. The images are mined, copied and redistributed almost instantly to websites all over the world. Take Jeb Bush's Social Security number for example.

**Online Records
